Yarding Change <sup>794</sup>/<sub>129</sub>

comparison date 21/10/2011

The rising Australian dollar combined with the upcoming short Victorian kill week, led to a larger quite good quality yarding. The yarding contained 757 beef and plain quality pastoral bred cows together with 36 bulls. There was steady SA and Victorian processor competition at lower levels, with only some protracted restocker bidding on a large line of plain quality Angus cows being the main highlight.

The D3 to C6 medium and heavy beef cows sold from 128c to 161c at prices 8c to 19c cheaper, and generally 255c to 295c/kg cwt. The pastoral breeds sold from 115c to 145c to be averaging around 13c/kg lower. Restockers paid from 130c to 161c for the plain quality 1 and 2 score mainly Angus cows at prices up to 12c/kg dearer that stopped those sales from falling even further to processors. The medium and heavy bulls to Victorian processors sold from 140c to 172c to be 7c to 11c/kg cheaper. A restocker sourced two well bred Red Angus/Simmental bulls at 170c/kg.
