

Station Manager – Palumpa Station Pty Ltd (NT)

- Palumpa Station (380km south-west of Darwin, NT)
- Fixed-term, three-year employment offer

Palumpa Station Pty Ltd, a wholly Indigenous-owned corporation, is seeking a Station Manager for its commercial cattle and civil works operations located on the edge of the Moyle Flood Plains within the Daly River / Port Keats Aboriginal Land Trust, approximately 4 hours drive south-west of Darwin, via Adelaide River.

The Station runs 6,000 cattle and operates a meatworks / butchery on its property, and secures civil works contracts consisting of road works and earth moving.

This position requires the successful applicant to:

- have a strong commercial background;
- be able to oversee the management and training of Indigenous people in the pastoral and civil works industries;
- lead and efficiently manage staff;
- be experienced in managing a cattle breeding enterprise;
- have excellent experience in modern methods of animal husbandry;
- have good financial budgeting skills;
- possess good time-management and communication skills; and
- have strong computing and livestock record-keeping skills.

The application must include:-

- Resume;
- Selection Criteria answers; and
- Contact details for two (2) employment referees.

Applications close 5pm 28/01/2014. For a Position Overview and Selection Criteria, please apply to:-
