

Trainee Trader and Administration Support

About the company

GrainCorp is Australia's leading agri business. With businesses across Australia, New Zealand, Europe, North America, Asia and the UK, we are a true multinational company with a focus of becoming our customers' preferred partner by connecting consumers and producers through our passionate people and assets around the world.

GrainCorp Oils is a division within GrainCorp specialising in the field of edible oils, recycled fats and oils, port side storage, liquid feeds and commodity trading. It provides solutions to customers across the supply chain, from trading to processing & manufacturing. Our customers vary from leading FMCG businesses, Quick Service Restaurants, large fuel companies, agri businesses and chemical companies. We have over 550 people across Australia and New Zealand in careers ranging from finance, trading, sales, HR, manufacturing, engineering, storage, technical and innovations.

About the role

This is a great opportunity for a self driven individual with an affinity for agribusiness to join our Commodity Management team; learning from the ground up primarily in our Tallow business but also with the Liquid Feeds and Auscol businesses.

The role requires an individual who is eager to develop, firstly through supporting the business from a logistics, customer and administration support function during the absence of our Trader Support. This then provides the foundation knowledge to grow as a Trainee Trader and beyond.

Key accountabilities include:

- Inventory management and forecasting
- Systems – data entry of contracts
- Customer support
- Transport and logistics coordination
- Liaison with bulk terminals for movement of shipments
- Primary contact for Auscol and Liquid Feed supply

About you

The successful candidate will have:

- Knowledge of road freight and logistics
- Negotiation Skills
- Intermediate to advanced IT Systems skills with the ability to quickly understand inventory management systems
- Ability to work independently and as part of a small team
- Professional in outlook and presentation
- A high level of attention to detail
- Intermediate systems skills

It is also desirable to have:

- A degree in agribusiness
- Commodity trading experience
- Experience in a physical/cash trading environment

-
- Experience in the meat industry
 - SAP and Smartsoft systems experience

***Please forward all queries and applications to ssalmon@graincorp.com.au.
Please note applicants may be required to undertake pre-employment screening including medical, criminal and psychometric.***
