

Cold Stores Manager

About Harvey Beef

Harvey Beef is Western Australia's largest beef exporter and has a modern meat processing facility in the South West town of Harvey. Harvey Beef has embarked on an exciting period of improvement and change within the business.

The Harvey Beef Cold Stores Department operates 24 hours per day 5 to 7 days per week, servicing large Slaughter, Boning and Case Ready Operations. Products are dispatched to over 40 countries worldwide and domestically to major supermarket customers and smaller retail facilities.

The Position

To manage the Cold Stores and all associated facilities ensuring the efficient handling of the Offal, Boning and Case Ready Production. This includes efficient management of incoming and outgoing logistics for both export and domestic customers. The Cold Stores Manager will operate as an effective member of the plant Operations Management Team contributing to overall plant efficiency.

Key Tasks and Responsibilities of this Role include

- Responsible and accountable for all freezer department activities and all department staff.
- Uphold Harvey Beef's values, Safety, Family and Quality.
- Manage the supervisory team and deal with all disciplinary matters in the department with the support of the HR Manager.
- Set high standards of performance for all staff in the department.
- Plan freezer operations to ensure key KPI's are achieved.
- Manage export and domestic load outs.
- Maintain product security and product integrity.

Qualifications, Skills and Experience Required Include:

- Previous experience in Warehousing and or Meat Processing would be an advantage.
- Relevant tertiary qualifications or Vocational training is desired.
- Management experience and the ability to manage a team on a 24 hour shift operation is essential.
- Excellent time management skills.
- Good listening skills and approachable.
- Continuous improvement mindset.
