Bore Runner (x2)

This is a unique opportunity to reside and work in the heart of the Pilbara at our Uaroo and Minilya Stations.

We are seeking 2 experienced Bore Runners with an appreciation for rural and remote living to join the Minderoo Team. The successful candidates must be able to demonstrate the following:

- knowledge of solars, motors, pumps and windmills
- experience in maintaining water levels for stock and checking fences
- experience in observation and reporting skills regarding wellness of stock, cattle movements and any other abnormalities stock & security related
- general mechanical aptitude
- sound communication skills combined with a proactive, positive can-do attitude
- ability to work independently as well as part of a team with a focus on providing innovative and practical solutions to problems
- sound level of physical fitness
- hold valid driver's licence
- a commitment to OH&S principles and guidelines

The successful applicant will be provided with very comfortable, air conditioned accommodation, all meals, internet access and an appropriate remuneration package based on skills and experience.

Please note this position is not suitable for working holiday visa holders.
