

Feedlot Operations Manager

We are currently seeking a Feedlot Operations Manager to join the Angus Pastoral Co workforce. APC works in conjunction with Signature Beef, and provides a unique opportunity to gain a first hand insight into a vertically integrated beef business.

The Company:

Angus Pastoral Co operates breeding and backgrounding properties in Northern and Central Queensland, and Sondella Feedlot located 60km NE of Moranbah. The company's core values focus on sustainable land management and best practice animal welfare to produce high quality beef. This is an exciting opportunity to play a vital role producing finished livestock for EU and Grainfed beef markets.

This role would suit an individual or couple looking to advance in a unique production system and be a part of a team moving forward to reaching clear goals and objectives.

The Position:

- Daily ration mixing and feed delivery
- Bunk calls, animal nutrition and health monitoring
- Machinery maintenance
- Monitor commodity levels
- Assist with livestock inductions and dispatches
- Assist with developing systems and reporting

Ideal candidate will have:

- Capability of driving a tractor
- Care about cattle
- Basic computer skills
- Strong attention to detail in ration hygiene and maintenance
- Ability to work independently when required

Applications and Enquiries:

Please send applications, including resume and at least 2 work referees to info@signaturebeef.com.au

For further enquiries please phone APC on 07 49835309.

Applications close on Saturday 29th July.
