

Feedlot Trainee Manager

Stanbroke is a family-owned and operated integrated Australian beef business. Our business consists of extensive cattle properties in Northern Queensland, backgrounding operations in Southern Queensland, state of the art cattle feedlot, fully accredited beef processing facility and global beef marketing capabilities.

A Trainee Manager position is available at Stanbroke's 30,000 head feedlot located at Chinchilla in the Western Darling Downs QLD. This is an exciting opportunity to participate in a feedlot trainee manager program that will provide the leadership and skills training for the successful applicant to potentially fulfil a future leadership role within the business. The trainee program incorporates feedlot management and operations which will also encompass Stanbroke's Backgrounding and farming operations. The position is suited to an appropriately qualified and skilled person seeking a career within the feedlot industry.

The successful applicant will be able to demonstrate;

- An understanding of livestock production systems.
- Leadership and decision-making capability.
- Good communication skills.
- An ability to apply training into operational and management activities.
- The capacity to utilise previous education and acquired agricultural skills.
- The capability to meet deadlines.

A relevant tertiary qualification or suitable experience is required to be considered for this position. An attractive remuneration package, including accommodation, will be offered.

Applications close 19th October 2018
