

PROPERTY MANAGER

JHF & Son is a privately owned aggregation totalling 15,000ha in the Toobeah district 76km north west of Goondiwindi in South East Queensland. The business enterprise mix consists of:

- 4,000ha of dryland summer and winter cropping operating modern machinery and has adopted regenerative principles to improve soil health.
- Approximately 2,500 LSU between Angus cow herd, self-replacing Merino sheep flock and trading enterprises. The grazing enterprise utilises rotational grazing principles.

We are seeking applicants with experience in a large mixed farming enterprise. You will manage a small, high performing team to ensure the best returns of each operation.

The operation is part of a larger family business operating properties throughout Queensland and Northern NSW. This organisation provides a strong support network and on-going commitment to training.

Applicants for this position will have:

- Mixed farming experience with at least 5 years' experience leading a team
- Excellent communication skills
- Sound business management skills which includes budgeting, planning, record keeping and reporting
- Demonstrated computer skills in Excel and Word
- Commitment to a safe, healthy environment for people and livestock
- The ability to think strategically and adapt as circumstances dictate
- Strong people management and leadership, proven in developing a motivated, high performing, loyal team
- High level organisational skills and able to juggle the various demands of a mixed farming enterprise

Desirable experience:

- Rotational grazing experience
- Understanding or interest in regenerative practices

This is a career opportunity within a large privately owned business.

An attractive salary package will be offered to the successful applicant which includes a well maintained large five-bedroom homestead set in an established garden.

Other benefits include a primary school located on the property and is surrounded by a well-established local community.
