

Australian Food Group is a well-established meat wholesaling company looking for an experienced drover to move, care, feed and water our pigs. You must be good with animals and maintain high standards of Animal Welfare

The full-time permanent position requires early morning starts, therefore you must have reliable transport to get to and from work Monday – Friday as there is no public transport for 5 – 6AM starts.

Skills & Experience

- Experience working with animals (preferred but training will be offered)
- Hardworking & self-motivated
- Knowledge of WHS & QA
- High commitment to Animal Welfare
- Preparedness to work flexible hours
- Fitness levels to cope with the physical nature of role
- Current driver's licence
- A good work ethic and a passion for what you do
- Problem-solving skills, reliability, and flexibility

Tasks & Responsibilities

- Feeding, monitoring and handling stock
- Maintaining a high-quality environment for the welfare and well-being of stock
- Cleaning accommodation pens, fittings and equipment
- Data Entry and Recording
- Implement Standard Operating Procedures
- Follow Animal Welfare requirements
- Opportunity to take on responsibilities and have autonomy
- Positive work environment with great team
- Open, honest and flexible work environment
- Adhere to Safety, and Biosecurity Standards
