

## **Cattle Station Manager / Caretaker – Qld**

David Clout & Associates, Chartered Accountants, acting as Managers of Star Earth Pty Ltd, is searching for a suitably experienced Manager / Caretaker for Texas Station, a beef and cattle producer located in Texas, Queensland.

The property is predominantly running a herd of Black Angus and Santa Gertrudis.

Texas is a rural town on the border of Queensland and New South Wales, located in the Goondiwindi Region.

The successful applicant must be capable of overseeing breeding, broodstock and fattening operations whilst managing the maintenance and security of the property. Ideally, the applicant could well be a grazier with experience to assist the Manager in planning and implementing infrastructure improvements, livestock development and pasture improvement.

You will ideally have experience in a similar managerial role in the pastoral industry or from a large-scale beef operation. This will be an extremely rewarding position for the right person, or couple, and the brief is expected to run for a period of three years.

The applicant's accommodation comprises a modern 4-bedroom, 2-bathroom brick dwelling with all facilities, located approximately 2 km from the Texas Township. Schooling in the town covers all ages up to year 10.

Applicants should in the first instance submit an email indicating an interest in this position and provide details of experience and availability to the Manager at email address : [tom.edgecombe@clouts.com.au](mailto:tom.edgecombe@clouts.com.au).

Opportunity for this role will be considered over the next 6 weeks with a closing date of 31 January 2023. All applicants will be contacted to discuss the role and remuneration packages.
