

## **Feedlot Manager – Qld**

An exciting opportunity has arisen for Feedlot Manager to join Cook Cattle Co's - Moruya Feedlot. Located between Goondiwindi and Moonie, the 6000 head feedlot feeds company sourced and bred cattle.

The Feedlot Manager is responsible for all aspects of the feedlot operation, including livestock, feeding, milling, administration and maintenance. Our manager will be hands on and take ownership and accountability to operate a profitable feedlot.

While experienced applicants are encouraged, those looking to progress to the next step in their career are also encouraged to apply.

The successful applicant will have:

- An affinity for all facets of feedlot operations
- First rate communication and people skills
- Effective problem solving
- A positive and can-do attitude and
- Willing to work hands on with the team

An attractive package commensurate with experience will be negotiated including a large modern home, work vehicle and a salary up to \$160,000.

We look forward to hearing from all suitable applicants.
