

Aggregation Manager - Gragin

Location: Delungra near Inverell, NSW

Job Type: Permanent Full Time

- Faulkner Farming provides a strong focus on training and development, within a culture of pride, accountability and teamwork.
- The Gragin Aggregation is located 47km Northwest of Inverell.
- On farm housing and generous employee benefits are provided.

The Aggregation Manager will lead the daily management of the aggregation in planning, financial performance, operational and employee management. The role is responsible for ensuring the timely execution of farming operations and the implementation of the businesses policies and procedures. You will work closely with Gunn Agri Partners who provide finance, HR and WHS support.

You will manage a small operational team, support the relationship with livestock operators, and execute approved capital improvement work. The role also provides support to the Property Manager at the Rocky Creek Aggregation.

The ideal person will have strong current cropping experience, proficiency with cropping management applications such as AgWorld, excellent communication skills, ability to implement business processes and be confident to lead a team. There will be a focus on building a strong culture in safety and staff development.

Faulkner Farming will provide you with the opportunity to develop professionally and progress your career.

Property and Accommodation Description:

The Gragin Aggregation is 47km Northwest of Inverell just outside of the township of Delungra in Northern NSW and approx. 4,300ha in size. The Aggregation is a mix of broad acre cropping and livestock grazing and shares equipment and other resources with the Rocky Creek Aggregation, which is approximately one hour drive from the Gragin Aggregation.

We are seeking candidates who have the following experience, skills and traits:

- Experience in broad acre crop farming.
- Experience with agriculture management systems (such as AgWorld), interpreting agronomic advice and budgeting.
- Experience in livestock will be considered advantageous.
- Knowledge of sustainable practices is desirable and or a willingness to adopt.
- Proven results in planning and managing processes from start to finish.
- Effective communication skills.
- Operating and maintaining cropping, farm and/or earth moving machinery.
- Be open and willing to learn new skills.

- Leadership experience in directing staff and contractors.
- Sound understanding of work health & safety requirements to ensure a safe workplace.
- Shows initiative, with good problem-solving skills and a positive attitude to work.
- Be physically fit and able to fulfill all requirements of the role.
- Hold a current drivers' licence.
- Able to confidently use Microsoft Excel and email.
- Heavy Vehicle Truck Licence, ChemCert Certificate, current First Aid Certificate, Confined Space and Working at Heights will be highly regarded or a willingness to undertake.
- Willingness to partake in the local community such as joining the local fire services/brigade.

On offer is a full-time role with a competitive salary package of base salary, super, performance incentives, work vehicle, comfortable accommodation and phone allowance. We will provide you with an opportunity for further training and career progression.
